

ACCADEMIA DI BELLE ARTI BOLOGNA

Grading System with ECTS grades: addenda Erasmus incoming students

Accademia di Belle Arti di Bologna A.A.2015-16

ECTS grades are not more in use according with the ECTS's users guide 2015. But considering that at the moment many Universities have not arranged the required Grade percentage Table (percentages and cumulative percentages), the Fine Arts Academy of Bologna offers the following table where ECTS grades are compared with the percentages 2015-16 in use at the Fine Arts Academy of Bologna.

In the Italian grading system positive grades are from 18/30 to 30/30 cum laude. The lowest passing grade is 18/30, the highest is 30/30 cum laude ("e lode")
